

Environmental Impact Statement – have your say

Inland Rail projects in NSW

The Department of Planning Industry and Environment (DPIE) exhibits the Environmental Impact Statement (EIS) for a minimum of 28 days and invites public comment. Advertisements are placed in appropriate newspapers and adjacent landowners are notified, if required.

During the exhibition period, the public is invited to view the EIS and lodge a submission online to the DPIE at planningportal.nsw.gov.au/major-projects

Submissions are considered by the DPIE when evaluating the EIS.

Following the submission period, the DPIE provides ARTC with submissions received. ARTC will respond to submissions through a submissions report to the DPIE.

The DPIE then assesses the project and makes a recommendation to approve the project, including either conditions of consent or reasons for refusal. The recommendation is referred to the NSW Minister for Planning and Public Spaces, or delegate for determination.

Visit the project page on the DPIE's website planningportal.nsw.gov.au/major-projects

To make a submission online, please follow the steps below

- 1 View the EIS online
planningportal.nsw.gov.au/major-projects
- 2 Read the DPIE's Privacy Statement
- 3 Decide whether to include your personal information in your submission
- 4 Fill in the online submission form. Your submission can be either typed or uploaded as a PDF
- 5 Disclose reportable political donations
- 6 Agree to the DPIE's online statement
- 7 Lodge your submission
